- b. Motion to replace paragraphs three through five of Article 5 of the Articles of Association with effect from 1 January 2014 with the following text:

“Insofar as the law allows, the shares shall be in registered or book-entry form. At the request and expense of the shareholder, shares may be converted from one form into another in accordance with the legal requirements.

The register of registered shares can be kept in electronic form.

Up to 31 December 2013, bearer shares shall be converted into book-entry shares by operation of the law as soon as they are admitted to trading on a regulated market as defined by Article 2,3°, of the Act of 2 August 2002 on the supervision of the financial sector and financial services (or any provision replacing this article) and held in a custody account.”

- c. Motion to renew the authorisation granted to the Board of Directors to increase the capital, as currently specified in Articles 7A and 7B of the Articles of Association, and to bring the authorisation to seven hundred million euros (700 000 000 EUR), for a further period of five years starting from the date of publication of the amendment to the Articles of Association decided upon by the Extraordinary General Meeting of 2 May 2013, and in this regard at the same time to authorise the Board of Directors to determine the dividend entitlement of the new shares to be issued.

Accordingly, motion to amend Articles 7A and 7B of the Articles of Association as follows:

“A. The Board of Directors is authorised to increase the share capital in one or more steps by seven hundred million euros (700 000 000 EUR), under the terms and conditions to be determined by the Board.

In addition, the Board of Directors is authorised to determine the dividend entitlement of the shares that will be issued following the capital increases carried out under the above authority.

The Board of Directors may exercise this authority during the five years following the publication of the amendment to the Articles of Association decided upon by the Extraordinary General Meeting of Shareholders of 2 May 2013. This authority can be extended in accordance with the prevailing statutory provisions.

The increases of capital decided upon under this authority may be carried out, within the confines of the law, by both contributions in cash or in kind and by the incorporation of reserves, including the share premium account unavailable for distribution. The reserves may be incorporated with or without new shares being issued.

Upon deciding to increase capital within the framework of this authorisation via the issue of new shares for cash, the Board of Directors is authorised, in the company's interest, to suspend or limit the preferential subscription rights of existing shareholders. The Board may also do so to the benefit of one or more specific persons. In the event of the suspension or limitation of the preferential subscription rights, the Board of Directors may grant a right of precedence to the existing shareholders on allotment of the new shares.

B. Furthermore, the Board of Directors is authorised to decide on the issue in one or more steps of convertible bonds, subordinated or otherwise, or warrants, attached or unattached to bonds, subordinated or otherwise, which may lead to increases of capital by up to the amount specified under A.

To this end, the Board of Directors is also authorised to determine the dividend entitlement of the shares that will be issued following the conversion of the bonds or exercise of the warrants.

The Board of Directors may exercise this authority during the five years following the publication of the amendment to the Articles of Association decided upon by the Extraordinary General Meeting of Shareholders of 2 May 2013. This authority can be extended in accordance with the prevailing statutory provisions.

Upon deciding to issue these bonds or warrants, the Board of Directors is authorised, in the company's interest and within the confines of the law, to limit or suspend the preferential subscription rights of existing shareholders. The Board may also do so upon the issue of the aforementioned bonds or warrants to the benefit of one or more specific persons, on the understanding that, upon the issue of the warrants, the warrants may not be destined primarily for one or more specific persons other than employees of the company or of one or more of its subsidiaries. In the event of the limitation or suspension of the preferential subscription rights, the Board of Directors may grant a right of precedence to the existing shareholders on allotment of the bonds or warrants."

- d. Motion to renew for a period of three years starting from 2 May 2013 the special authorisation granted to the Board of Directors, as currently set out in Article 7C of the Articles of Association, to carry out capital increases subject to the limits of the authorisation detailed in Articles 7A and 7B, even after the date of receipt of notification from the Financial Services and Markets Authority that it has been apprised of a public bid for the securities of the company.

Motion to amend Article 7C of the Articles of Association as follows:
"The Board of Directors is, pursuant to Article 607 of the Companies Code, especially empowered for a period of three years starting from 2 May 2013 to make capital increases in accordance with the terms and conditions and within the limits laid down in the Companies Code even after the date of receipt of the notification from the Financial Services and Markets Authority of a public bid for the securities of the company, within the limits of the existing authorisation as detailed in Articles 7A and 7B of the Articles of Association."

- e. Motion to replace Article 11bis of the Articles of Association, with effect from 1 January 2014, with the following text:

“To the extent permitted by law, bonds shall be in bearer, registered or book-entry form, and warrants shall be in registered or book-entry form. At the request and expense of the holder, bonds and warrants may be converted from one form into another in accordance with the legal requirements unless the issue conditions for the security in question stipulate otherwise.

The registers of registered bonds and warrants may be kept in electronic form.

Until 31 December 2013, bearer bonds (except bearer bonds which are only issued abroad or which are subject to foreign law) shall be converted into book-entry form by operation of the law as soon as they are admitted to trading on a regulated market as defined in Article 2,3°, of the Act of 2 August 2002 on the supervision of the financial sector and financial services (or any provision replacing this article) and held in a custody account.”

- f. Motion to replace the second paragraph of Article 21 of the Articles of Association with the following text:

“With regard to the powers of the Executive Committee established pursuant to Article 524 bis of the Companies Code, the company shall be represented by two members of the Executive Committee, or by one member of the Executive Committee acting together with either a senior general manager or with the secretary to the Board of Directors or with the secretary to the Executive Committee or with the Group Secretary, or by persons especially empowered for that purpose.”

- g. Motion to replace Article 27 of the Articles of Association, with effect from 1 January 2014, with the following text:

“The right of a shareholder to attend the General Meeting and to exercise voting rights at said meeting is granted solely on the basis of the accounting record of the shares in the name of the shareholder on the record date, i.e. the fourteenth day before the General Meeting at midnight Belgian time, either by entry of the shares in the share register, or by their entry on the accounts of a recognised account holder or clearing house, and this regardless of the number of shares that the shareholder possesses on the day of the General Meeting.

The right of a holder of bonds, warrants or certificates issued in co-operation with the company to attend the General Meeting, is similarly granted solely based on the accounting record of these securities in his/her name on the record date. The accounting record of bearer bonds which are only issued abroad or which are subject to foreign law is done by presenting the bonds to a financial intermediary or by entry of the bonds on an account of a financial intermediary.

Every shareholder and every holder of bonds, warrants or certificates issued in co-operation with the company, who wishes to attend the General Meeting, must, by no later than the sixth day before the day of the General Meeting, inform the company or a person so designated by the company of his/her intention to attend and also indicate with how many securities he/she wishes to attend. If he/she wants to attend the General Meeting with book-entry securities, he/she must also ensure that the company or a person so designated by the company, receives on the same day at the latest, a certificate supplied by the recognised account holder or the clearing house, which states with how many book-entry securities – entered in his/her name on their accounts on the record date – he/she wishes to attend the General Meeting. One and the same obligation applies to every holder of bearer bonds that are only issued abroad or which are subject to foreign law, on the understanding that in this case the certificate will be supplied by the financial intermediary to whom the bonds had been submitted, or with whom the bonds had been entered on an account.

The provisions of this Article also apply to the holders of profit-sharing certificates, insofar as they are in registered or book-entry form, in the cases where they are entitled to attend the General Meeting.”

h. Motion to add to Article 42 of the Articles of Association the following transitional provision:

“A. Until the amendment to the Articles of Association decided on by the Extraordinary General Meeting of 2 May 2013 is published, the Board of Directors will remain empowered under the authorisation granted to it by the Extraordinary General Meeting of 30 April 2009 to increase the share capital in accordance with terms and conditions to be stipulated by the Board of Directors by an amount of nine hundred million euros (900 000 000 EUR), less the amounts for which this right has already been exercised in accordance with decisions of the Board of Directors.

The remaining terms and conditions of Article 7A will continue to apply in respect of this authority during this time.

B. Until the publication of the amendments to the Articles of Association approved by the Extraordinary General Meeting of 2 May 2013, the Board of Directors will also retain the authority granted to it by the Extraordinary General Meeting of 30 April 2009, to proceed on the issue in one or more steps of convertible bonds, subordinated or otherwise, or warrants, attached or unattached to bonds, subordinated or otherwise, which may lead to capital increases by up to the amount specified in paragraph A.

The remaining terms and conditions of Article 7B will continue to apply in respect of this authority during this time.

C. The stipulation in Article 8 is applicable to decisions to increase capital taken by the Board of Directors under the authorisation referred to under A and B of this Article 42.

D. The present transitional provision may, given its transitional nature, be deleted in the next co-ordinated version of the Articles of Association drawn up after publication of the amendment to the Articles of Association decided on by the Extraordinary General Meeting of 2 May 2013. The same applies to the transitional provisions in Article 7 concerning the use of the authority granted by the Extraordinary General Meeting of 30 April 2009.”

i. Motion to grant authorisation to co-ordinate, sign and submit the Articles of Association after taking the decisions to amend them with respect to the draft resolutions mentioned under agenda points d sub I and b, c, d, e, f, g and h sub II, whereby for the amendments to the Articles proposed under agenda points b, e and g sub II both the old and the new version will be included.

j. Motion to grant authorisation to draw up, sign and submit a second co-ordinated version of the Articles of Association, which will be valid from 1 January 2014, after taking the decisions to amend them with respect to the draft resolutions mentioned under agenda points b, e and g sub II, if necessary omitting the last paragraph of the new Articles 5 and 11bis.

k. Motion to grant authorisation for the implementation of the decisions taken and the completion of the formalities relating to the Crossroads Bank for Enterprises (*Kruispuntbank van Ondernemingen*) and the tax authorities.
