STATUTORY AUDITOR'S REPORT TO THE GENERAL SHAREHOLDERS' MEETING OF THE COMPANY KBC GROUP NV ON THE ANNUAL ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2017

We present to you our statutory auditor's report in the context of our statutory audit of the annual accounts of KBC Group NV (the "Company"). This report includes our report on the audit of the annual accounts, as well as the report on other legal and regulatory requirements. These reports form part of an integrated whole and are indivisible.

We have been appointed as statutory auditor by the general meeting of 4 May 2016, following the proposal formulated by the board of directors and following the recommendation by the audit committee and the proposal formulated by the workers' council. Our mandate will expire on the date of the general meeting which will deliberate on the annual accounts for the year ended 31 December 2018. We have performed the statutory audit of the annual accounts of KBC Group NV for 2 consecutive years.

Report on the audit of the annual accounts

Unqualified opinion

We have performed the statutory audit of the Company's annual accounts, which comprise the balance sheet as at 31 December 2017, and the profit and loss account for the year then ended, and the notes to the annual accounts, characterised by a balance sheet total of EUR 21.640 million and a profit and loss account showing a profit for the year of EUR 1.038 million.

In our opinion, the annual accounts give a true and fair view of the Company's net equity and financial position as at 31 December 2017, and of its results for the year then ended, in accordance with the financial-reporting framework applicable in Belgium.

Basis for unqualified opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the "*Statutory auditor's responsibilities for the audit of the annual accounts*" section of our report. We have fulfilled our ethical responsibilities in accordance with the ethical requirements that are relevant to our audit of the annual accounts in Belgium, including the requirements related to independence.

We have obtained from the board of directors and Company officials the explanations and information necessary for performing our audit.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

This section of the report is intended to describe the matters communicated with the audit committee that we have determined, in our professional judgment, were of most significance in the audit of the annual accounts. We have determined that there are no matters to report.

Responsibilities of the board of directors for the annual accounts

The board of directors is responsible for the preparation of annual accounts that give a true and fair view in accordance with the financial-reporting framework applicable in Belgium, and for such internal control as the board of directors determines is necessary to enable the preparation of annual accounts that are free from material misstatement, whether due to fraud or error.

In preparing the annual accounts, the board of directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the board of directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Statutory auditor's responsibilities for the audit of the annual accounts

Our objectives are to obtain reasonable assurance about whether the annual accounts as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these annual accounts.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the annual accounts, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the board of directors.

FREE TRANSLATION FROM DUTCH ORIGINAL

- Conclude on the appropriateness of the board of directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our statutory auditor's report to the related disclosures in the annual accounts or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our statutory auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the annual accounts, including the disclosures, and whether the annual accounts represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the audit committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the audit committee with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the audit committee, we determine those matters that were of most significance in the audit of the annual accounts of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

Responsibilities of the board of directors

The board of directors is responsible for the preparation and the content of the directors' report, as well as for the compliance with the legal and regulatory requirements regarding bookkeeping, with the Companies' Code and with the Company's articles of association.

Statutory auditor's responsibilities

In the context of our mandate and in accordance with the Belgian standard (Revised) which is complementary to the International Standards on Auditing (ISAs) as applicable in Belgium, our responsibility is to verify, in all material respects, the directors' report, as well as compliance with the articles of association and certain requirements of the Companies' Code and to report on these matters.

Aspects related to the directors' report

In our opinion, after having performed specific procedures in relation to the directors' report, this report is consistent with the annual accounts for the year under audit, and it is prepared in accordance with the articles 95 and 96 of the Companies' Code.

In the context of our audit of the annual accounts, we are also responsible for considering, in particular based on the knowledge acquired resulting from the audit, whether the directors' report is materially misstated or contains information which is inadequately disclosed or otherwise misleading. In light of the procedures we have performed, there are no material misstatements we have to report to you. We do not express any form of assurance conclusion on the directors' report.

Regarding non-financial information, as mentioned in the directors' report, the information is provided at the level of the highest Belgian consolidating entity, KBC Group NV in the directors' report on the consolidated accounts.

Statement related to the social balance sheet

The social balance sheet, to be deposited in accordance with article 100, § 1, 6°/2 of the Companies' Code, includes, both in terms of form and content, the information required by virtue of the Companies' Code and does not present any material inconsistencies with the information we have at our disposition in our audit file.

Statement related to independence

- We did not provide services which are incompatible with the statutory audit of the annual accounts and we remained independent of the Company in the course of our mandate.
- The fees for additional services which are compatible with the statutory audit of the annual accounts referred to in article 134 of the Companies' Code are correctly disclosed and itemized in the notes to the annual accounts.

Other statements

- Without prejudice to formal aspects of minor importance, the accounting records were maintained in accordance with the legal and regulatory requirements applicable in Belgium.
- The appropriation of results proposed to the general meeting complies with the legal provisions and the provisions of the articles of association.
- There are no transactions undertaken or decisions taken in breach of the Company's articles of association or the Companies' Code that we have to report to you.
- This report is consistent with the additional report to the audit committee referred to in article 11 of the Regulation (EU) N° 537/2014.
- An interim dividend has been distributed during the year in relation to which we have issued the attached report in accordance with legal requirements.

STATUTORY AUDITOR'S REPORT TO THE BOARD OF DIRECTORS OF KBC GROUP NV ON THE STATEMENT OF ASSETS AND LIABILITIES IN CONNECTION WITH THE DISTRIBUTION OF AN INTERIM DIVIDEND

Introduction

We have performed a review of the accompanying statement of assets and liabilities (hereafter the "Statement") of KBC Group NV as of 30 June 2017, based on which the board of directors of KBC Group NV (hereafter "Company") proposes to distribute an interim dividend of EUR 418.372.082 (i.e. EUR 1 per share), as allowed by article 38 of the articles of association.

The board of directors is responsible for the preparation and fair presentation of this Statement as of 30 June 2017, in accordance with the financial reporting framework applicable in Belgium and the Companies' Code. Our responsibility is to express a conclusion on this Statement based on our review, in accordance with ISRE 2410 and by virtue of article 618 of the Companies' Code.

Scope of Review

We conducted our review of the Statement as of 30 June 2017 in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" (ISRE 2410). A review of the Statement consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. The scope of a review is substantially less than that of an audit conducted in accordance with International Standards on Auditing and, consequently, does not enable us to obtain reasonable assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that would cause us to believe that the Statement does not fairly present, in all material respects, the Company's net equity and financial position as of 30 June 2017, in accordance with the financial reporting framework applicable in Belgium and the Companies' Code.

Finally, according to the Statement, the proposed distribution would not lead to a decrease in the Company's net assets, as required by article 617 of the Companies' Code, to an amount lower than the sum of the Company's paid-up capital and those reserves that the Companies' Code or the Company's articles of association do not allow to be distributed.
