## KBC report on the EBA Transparency Exercise 2018

KBC notes the announcements made by the European Banking Authority (EBA) regarding the publication of the EBA EU-wide Transparency Exercise on Friday 14 December 2018.

The information of this 2018 EU-wide Transparency Exercise refers to the reported data as of 31 December 2017 and 30 June 2018. The templates, published on a bank-by-bank basis, are the following:

- Capital
- Leverage ratio
- Risk exposure amounts
- P&L
- Market Risk
- Credit Risk
- Sovereign Exposure
- Performing & Non-Performing Exposures
- Forborne Exposures

The data collection relies on the standard information reported by the banks to the EBA on a regular basis through the supervisory reporting framework (FINREP, COREP).

The detailed results of this exercise for KBC Bank were provided in a disclosure table based on the common format provided by the EBA. For more details on this exercise see the EBA's [website](#).

The information is provided only for comparison purposes and should not in any way be directly compared to the bank's other published information.
